

Academic Support Lab

LRN SK 101

Lab Hours

Monday—Thursday

8:00 a.m. to 4:00 p.m.

Fridays

9:00 a.m. to 12:30 p.m.

Purpose:

The lab provides students with the opportunity to improve basic learning skills using specialized programs designed to provide training in the fundamental skills necessary for academic success.

Course Requirements:

- Lab credit requirements are:
 - A) For one unit of credit, 51 hours of independent study must be completed, or an average of 3 hours weekly.
 - B) For one-half credit, 26 hours of independent study must be completed, or an average of 1.5 hours weekly.
- The instructor will determine student placement with materials and will monitor his/her progress.
- Lab time is to be used for completing basic skill assignments given by the Lab Instructor. Work for other courses is not allowed on Lab time. Lab is **not** a “study hall.”

Information:

1. Grading is on a credit/no credit basis.
2. Units are **not transferable & not degree applicable**.
3. Enrollment is possible until the 12th week of the semester.
4. Maximum Lab enrollment is 1 unit per semester. Lab may be repeated 3 semesters.
5. Instruction is provided by computer programs, videos, and other mediated instruction.
6. Remember! All Lab hours must be completed by the last class meeting; the Lab is not open during finals week.
7. Studies show that students taking LRN SK 101 earn higher grades in English and Math courses.

SUBJECTS:

- Study Skills
- Reading Comprehension
- Vocabulary
- Grammar & Writing
