

Office of Financial Aid

Dear Student,

Your Alternative Loan (ALOAN) Certification Request has been received by our office. You could be eligible for State and Federal Grants and Loans. Once the ALOAN has been awarded and disbursed out to you the amount of the ALOAN is counted as a resource and reduces your eligibility to free grants and federally backed loans. It is in your best interest to complete all of your outstanding tracking documents and wait for all other federal aid to be applied to your account. Once you complete all tracking documents it may be a three to four week wait until you see any federal aid awarded to your account.

If you choose NOT wait for federal aid to be applied to your account please indicate by checking the boxes below that you have been counseled, that you waive possible eligibility to other federal aid and that you would like your ALOAN posted to your account now.

- I have been counseled by Cuesta College Financial Aid Staff about the benefits of completing my tracking requirements and waiting for federal aid to be posted to my account prior to being awarded an ALOAN.
- I understand that by choosing this ALOAN it may preclude me from eligibility to federal funds for the current school year.
- I request Cuesta College Financial Aid Staff to post the ALOAN to my account.
