

Hello,

You are scheduled to take the TOEFL test on _____, __/__/__ reporting time at ___:___ pm, at our testing site, Cuesta College in San Luis Obispo. This message is to help you with the process.

To get directions, go to our website: www.cuesta.edu. Click on "departments", highlight "Assessment" and click "choose", then click on the "Home Page" line and scroll down to TOEFL test. There is some general information and links for directions from the south and from the north.

Attached is an information sheet on procedures when you come to test. Please read, and bring them with you as the signed form needs to be turned in.

One last reminder. The most often reason to turn away a candidate for testing is not having proper identification. Please bring your passport if you are a foreign student. If a U.S. citizen, an official valid ID form or valid driver's license will do. Both must have a recognizable photo AND your signature (both). Please check with E.T.S. if you have questions about a valid ID.

For other questions, you can call our Assessment office Monday through Friday between 9 and 4:30 PM at (805)546-3100 x2314.

Hope this has been helpful and we will look forward to seeing you on _____.
