

Increase in daily parking permit fee

Daily parking permits at Cuesta will increase to \$2 for the fall semester that begins August 17.

Daily permits are required of all visitors to Cuesta (sponsored guests are exempt as long as they obtain a guest pass from the Public Safety Department).

Remember to clearly display your permit. In vehicles, it should hang from the rear-view mirror or be placed on the dashboard. For motorcycles, it should be placed on the front right forks.

Daily permits are good in all student parking spaces throughout campus.

Permits can be purchased from machines located in Parking Lots 1A, 3, 4, 5, 6 and at the circular drive off of Education Drive near the administration building (8000 Building).

Cuesta public safety officers will begin enforcing the new fees
August 24, 2009.

For more information, call **Cuesta College Public Safety Department**
at **546-3205** or visit **www.cuesta.edu/deptinfo/safety**.
