Cuesta College Sets Record Enrollment Numbers at Spring Semester

Cuesta College set a new enrollment record at the spring 2008 semester, welcoming 11,944 students to its campuses from Paso Robles to Arroyo Grande.

Enrollment numbers also increased at each of Cuesta College's four sites. While the San Luis Obispo Campus experienced a slight growth, the North County Campus increased the student body population by 6.5%, Distance Education students increased by 11% and the South County Centers topped its counterparts with an 18% student population increase over last year's totals.

"It is gratifying to see this growth as it demonstrates that Cuesta is reaching out to all parts of the county and that the community is responding positively to increased educational opportunities," said Sandee McLaughlin, Interim Vice President, Student Services.
