Nationally Accredited Paramedic Program Honors Second Graduating Class

The second Cuesta College class to graduate from the nationally accredited Central Coast Paramedic Program is celebrating its achievements on Friday, October 3 at 6 p.m. in the Interact Theater. Members of the media, and all those that contributed to the success of the program, are invited to attend a short program in honor of the graduating students.

The Central Coast Paramedic Program earned national accreditation status by the Committee on Accreditation of Educational Programs for EMS Professionals earlier this year. Current and past students of the paramedic program will be in attendance for the event.
