# House of Kolor Founder Hosts Fundraising Clinic at Cuesta College

World-renowned custom painter and founder of House of Kolor, Jon Kosmoski, will be the featured guest at the Cuesta College House of Kolor Clinic fundraiser to benefit SkillsUSA students on Wednesday, November 19.

Kosmoski will share more than 50 years experience in the industry by offering tips on preparation work and application techniques. He will also provide hands-on demonstrations of the complete line of custom paints offered by House of Kolor. The clinic will also include an optional barbeque dinner, silent auction and raffle.

All proceeds from the event will benefit Cuesta College's SkillsUSA students. The SkillsUSA program is a national organization that trains students for careers in technical, skilled and service occupations. Last year, Cuesta College students earned one gold medal and two bronze medals in automotive service technology, carpentry and collision refinishing at the National SkillsUSA Championships.

The Cuesta College House of Kolor Clinic Fundraiser will be held on Wednesday, November 19 at 6 p.m. in auto body classroom, 4601, on the San Luis Obispo Campus. Pre-ordered tickets are \$20 or \$25 at the door. To register, call 546-3100 x2689. Tickets for the barbeque dinner are \$7.50.
