Cuesta Instructor Awarded CA Teaching Excellence Award

Barbara (Bobbe) McGee, a veteran of the Cuesta College math department, was awarded the 2008 Teaching Excellence Award by the California Mathematics Council of Community Colleges (CMC³).

She was nominated by her counterparts at Cuesta College, and selected by her colleagues from around the state. The award was presented at the CMC³'s fall conference in Monterey on December 12-13.

McGee has taught a variety of math courses at Cuesta College for 20 years, in addition to teaching junior high school for three years and at Marymount College for 14 years. She earned a bachelor's and master's degree in economics from UCLA, a bachelor's degree in mathematics from Cal State Northridge and master's in mathematics from USC.

"Bobbe is an excellent mathematics instructor," said Marie Larsen, Cuesta College's Mathematics Division Chair. "She is a team player and is always willing to step up and help the division in any way she can."
