# Automotive Vendor and Trade Show at Cuesta College to Raise Money for Students

Cuesta College and the Independent Automotive Professionals Association (IAPA) Central Coast are hosting a vendor and trade show at Cuesta College on Wednesday, June 10.

The event will feature the latest in automotive parts, tools and support services for automotive shops and technicians. Free workshops and breakout training sessions will also be held during the event from different segments of the automotive industry.

The vendor and trade show will be held from 5-8 p.m. on June 10. Parking will cost \$1 and a tri-tip sandwich dinner will be available for \$10. All proceeds from the event will benefit educational efforts and SkillsUSA, a national educational organization for students in trade, industrial, technical and health occupations. Three Cuesta College students earned medals at the SkillsUSA national championship competition last year.
