1330

The Board of Trustees recognizes the right of the public to information concerning all of its actions, policies, and the details of its educational and business operations. In accordance with this policy, copies of the agenda shall be furnished to all interested persons and organizations upon written request to the Superintendent.

Copies of the minutes of the meetings of the Board of Trustees may also be furnished to interested persons and organizations upon written request to the Superintendent.

The Board of Trustees shall provide for the dissemination throughout the district of information concerning the college and shall assist in the interpretation of the educational program.

It shall be the practice of the Board of Trustees to utilize the advice and assistance of all interested individuals and groups in the solution of its educational and financial problems, although the Board of Trustees alone shall determine the final policy.
