Welcome!

ECE 236 is online; all coursework (discussions, assignments, exams) will be completed outside of a classroom and submitted online. There are no face-to-face class meetings. Keep in mind that this course will require as much time as a traditional course requires, however-you will find more flexibility.

- I am available by e-mail (using the Blackboard e-mail tool) where I can answer questions or address any concerns. I will make every attempt to respond within 24 hours Monday-Friday.

Additionally, if there is an emergency, you may leave a message with Human Development @ (805) 546-3263.

- Use denae_boggs@cuesta.edu prior to the start of the semester. When the course begins (day one of the semester), email me using the Blackboard email tool.

Required Textbook:

The Exceptional Child: Inclusion in Early Childhood Education, Allen and Cowdery, 7th Edition

Recommended Textbook:

The Inclusive Early Childhood Classroom: Easy Ways to Adapt Learning Centers for all Children, Gould and Sullivan

Textbooks are available at the Cuesta College bookstore. I do not recommend using earlier editions.

Access to the Course:

You can log into the course on the first day of the semester; **you can NOT access the course before the semester starts!**

When the semester starts, please log in right away, so that you will not be dropped from the course. Mark your calendars! I will not contact you-starting on day one of the semester, course information will be provided in Blackboard.

To log in go to <http://blackboard.cuesta.edu> and follow the instructions; there is also now a direct link to Blackboard on our Cuesta.edu home page (<http://cuesta.edu>). It is located on the lower right hand corner of the page.

- Your login ID matches your Banner/my.cuesta ID: firstname_lastname (all lower case). The default password for Blackboard is STUDENT (all upper case). Change your password once you have logged in. Passwords for my.cuesta and Blackboard can be set to be the same; that is your choice. If you have taken a course before, through Blackboard/WebCT, you will use your existing password. If you are having technical difficulties with the course website or can not log on, contact support@my.cuesta.edu or call 546-3100, extension 2802; help is available during working hours only. You will find 24/7 limited help (resetting passwords) at <http://library.cuesta.edu/distance/techspt.htm> or click on the

student tab on myCuesta: choose the Distance Education link and technical support
