Forwarding Cuesta student e-mail (Gmail)
If you already have a personal e-mail account, you can elect to have your Cuesta student e-mail forwarded to that personal e-mail address. Instructions on forwarding are available via Help in your Cuesta e-mail (Gmail) account.

**CAUTION:** Some e-mail providers have filters that incorrectly prevent the receipt of forwarded e-mail. As a Cuesta College student, you are responsible for checking your Cuesta e-mail. Forwarded e-mail that does not arrive in your personal e-mail account is not a valid excuse for missing critical e-mailed information.

Here's how to forward messages automatically:

1. Sign in to Cuesta student e-mail. *(See “Accessing Cuesta e-mail” above.)*
2. Click **Settings** at the top of any Gmail page. *(The Settings screen will appear.)*

4. Enter the email address to which you'd like your messages forwarded.
5. Select the action you'd like your messages to take from the drop-down menu. *You can choose to keep Gmail's copy of the message in your inbox, or you can send it automatically to All Mail or Trash.*
